

BASL MASLD Specialist Interest Group
MASLD in Focus: Translating Science, Transforming Care

Jesus College Oxford

5th September 2025 10:30 – 17:00

Registration & Coffee in Industry Room **10:00 – 10:30**

Welcome and introductions **10:30 – 10:40**

Session 1 Scientific and translational progress **10.40 – 12:30**

Chairs: Thomas Marjot & Will Alazawi

- *Mechanisms of steatosis and future directions in SLD research (10:40-11:00)*
Tessa Cacciottolo, Imperial College London
- *Mind over MASLD: unravelling brain dysfunction in steatotic liver disease (11.10 – 11:30)*
Anna Hadjichambi, Roger Williams Institute of Liver Studies, Kings College London
- *Hepatic fatty acid & glucose handling: impact on cardiovascular disease risk (11:40 – 12:00)*
Leanne Hodson, University of Oxford
- *GLP1-agonist: obesity problem solved? (12:10 – 12:30)*
Professor Barbara McGowan, School of Cardiovascular, Metabolic Medicine & Sciences,
Kings College London

Lunch in Elizabethan Dining Hall **12:45 – 13:45**

State-of-the-Art Lecture **13:40 – 14:10**

- *Using AI to predict MASLD outcomes*
Professor Jonathan Fallowfield, University of Edinburgh

Coffee in Industry Room **14:20 – 14:40**

Session 2 Clinical opportunities & rethinking standard of care **14:40 – 17:00**

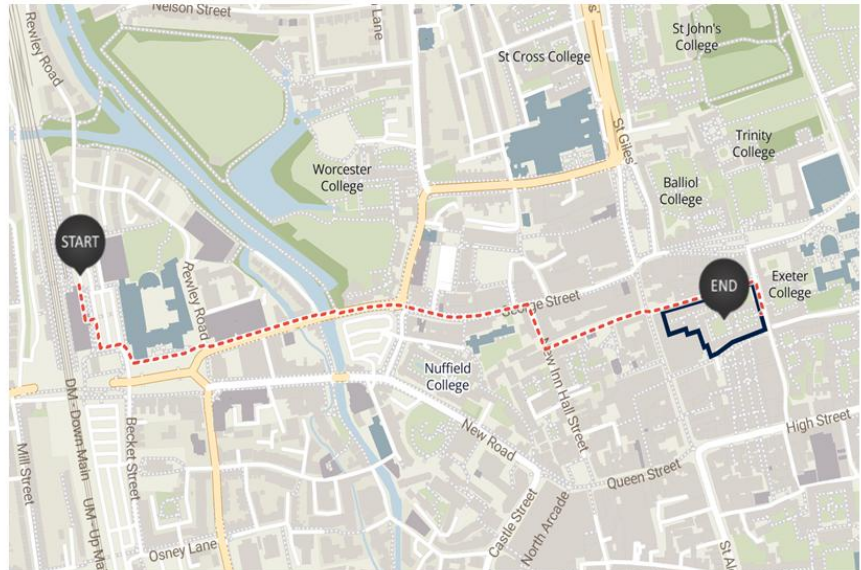

Chairs: Jeremy Tomlinson (Oxford) & Penny Manousou (Imperial)

- *A matter of time: harnessing circadian metabolic rhythms in MASLD (14:40 – 15:00)*
Thomas Marjot, University of Oxford
- *Unmasking MetALD and the power of PEth (15:10 – 15:30)*
Paul Brennan, University of Dundee
- *MASLD treatment matrix: a UK consensus (15:40 – 16:00)*
Jeremy Cobbold, Oxford University Hospitals
- *LITMUS final outputs: imaging biomarkers (16:10 – 16:30)*
Michael Pavlides, University of Oxford

Closing remarks **16:40 – 16:50**

Venue details:

- **Jesus College Oxford**, Turl Street, Oxford, OX1 3DW
- 14-minute walk from Oxford Rail station
- Overnight rooms available at College upon request
- Meeting is free to attend for BASL members
- Refreshments and Lunch in College provided
