

## **BASL Services Lead Role Description**

### **Membership**

The Services Lead is elected by the membership to serve for a period of up to three years and may be re-elected once. The Services Lead supports the development and implementation of Clinical Standards and the provision of Clinical Services, including preparation and delivery of advice to national health authorities concerning liver diseases.

The successful applicant will be expected to attend and contribute to the 1 face-to-face and 3 web-based committee meetings each year, and to the work of the committee for BASL.

The Services Lead will be registered at Companies House in the UK as a Director of BASL and registered with the Charities Commission as a Trustee.

### **Roles and responsibilities**

1. To provide either a direct response, or a coordinated response on behalf of the President when NICE ask BASL for a positional statement on a new evaluation.
2. To act as a formal deputy to the President for national HPB CRG related meetings, where the President cannot be in attendance themselves.
3. To help coordinate the writing of national position statements for the President where it relates to activities that align with clinical service standards.
4. To provide representation for BASL at the BSG Quality Standards framework meetings along with the President and provide leadership and input in the implementation of these in relationship to liver disease.
5. To help coordinate data collection for the President where it is needed in terms of national service delivery.
6. To provide leadership and support to BASL to prevent unwanted variation in the delivery of liver clinical services through national based initiatives.

BASL is committed to promoting equality, diversity and inclusion in all aspects of its work. It is actively promoting equal opportunities and access for all our members regardless of their background. We would, therefore, encourage you to consider joining the BASL committee to help to shape the future of BASL and increase our inclusivity/inclusiveness.
