

Hepatology ATP

Royal Free Hospital
(Paired with Royal London)

Overview

6 months at Royal Free Hospital (Hampstead) / 6 months at Royal London Hospital (Whitechapel)

Rota shared with 4 North West London Gastro trainees (possibly 1 ACF)

1 in 5 rota, including weekends on-call (no nights)

Good exposure to inpatient general hepatology, transplant and tertiary referrals.

The Rota

5 week rolling rota

Rotate between Transplant / Hepatology / On call / Training weeks

No scheduled lists / clinics on Transplant & Hepatology weeks

On-call week: External and internal referrals.
Cover GI bleeds from 17:00-20:30 and weekends.

Ward: Consultant ward round most days unless clinic / list
Daily board round at 08:30 with all ward teams

Can only take annual leave and study leave on training weeks. Can swap weeks if needed.
