CONFERENCE

Glasgow Gastro 2022

Celebrating its fifth year, we are delighted to announce that Glasgow Gastro 2022 will return to a face to face format.

This one-day conference will consist of interactive presentations, case based learning and state of the art lectures, with both national and international experts providing topical updates on a wide range of Gastroenterology, Hepatology and Endoscopy issues.

The programme will be of interest to consultants and trainees in Gastroenterology and Hepatology, General and Acute Medicine and also nurse specialists in Gastroenterology, Endoscopy and Hepatology.

Join us for Glasgow Gastro 2022 to hear from speakers including:

- **Professor Dame Parveen Kumar**, Barts and the London School of Medicine and Dentistry, London
- **Professor Debbie Shawcross**, King's College Hospital, London
- **Professor Andy Veitch**, President, British Society of Gastroenterology
- **Professor Ramesh Arasaradnam OBE**, University Hospital Coventry and Warwickshire
- **Professor Maja Thiele**, Odense University Hospital and University of Southern Denmark

Who should attend?

This event will be of interest to trainees and consultants in related specialties. This event also attracts a lot of clinical nurse specialists- gastroenterology and hepatology.

Poster competition

We are now inviting abstract for the Glasgow Gastro 2022 poster competition.

Entries should relate to a case report, audit, quality improvement project or a clinical trial/study.

Abstracts should be submitted according to the guidelines provided in the downloads section below.

Submission deadline: Thursday 11 August 2022

Submissions should be sent to: wilma.paterson@rcpsg.ac.uk
